It has been reported that officials of the Venezuelan Communist Party recently contacted Jovito Villalba, leader of the Union Republicana Democratica Party (URD), prior to his departure to the United States. The Communists proposed to Villalba that he sound out former President Isaias Medina Angarita, who is presently residing in the United States, on the possibility of reaching some understanding with respect to a united front by Communists, URD, and Medina. Villalba allegedly plans to carry out this suggestion with Medina.
